

## **DIDSON ClearSight™ Installation Instructions**

1. Close all open windows.
2. Insert the AcousticView™ USB Flash Memory .
3. Change directory to AView\_USB\ClearSightDIDSON\_Installation on the USB Flash Memory
4. Click on ClearSightSetup.exe
5. On Windows Vista you will be asked to ok the installation.
6. Please read the Software License Agreement.
7. If you accept the terms of the Software Installation Agreement, press accept.
8. The software should be installed in directory C:\acousticview
9. Ok the rest of the installation.
10. C:\acousticview
11. A shortcut icon will appear on the desktop enabling access to the ClearSight™ software.
12. When the installation of ClearSight is finished, click on the jre-6u16-windows-i586-s.exe; This will install a Java runtime environment.
13. When both installations are done, please insert the dongle which was provided with the Software. If you do not have such a dongle, please contact the company to purchase one.
14. Please wait until installation of the dongle is done. The installation takes a few minutes.
15. When the red light of the dongle is on, the dongle has been installed successfully and you are ready to start the software.
16. Keeping the dongle connected at all times, click on the AcousticView shortcut to start the program
17. Click on the first button (directories and files) to choose a directory where the DIDSON files exist.
18. A list of available files will appear, choose the file you want to mosaic by clicking on it.
19. Click on the rounded arrow (second button) to choose the frames from which mosaic should be created.
20. A small monitor window will present processing progress.
21. When mosaic is read, it will appear on the left files list under the file which was chosen.
22. Double click on the sub part which contains the processed mosaic frames you want to view.
23. You can then increase or reduce resolution by clicking on the + or – buttons and then clicking on the picture itself.
24. You can also move the image on the screen, and measure distances.
25. Please provide comments to [info@acousticview.com](mailto:info@acousticview.com)
26. Should you encounter a problem, please provide information about software version and the full details of the problem to [info@acousticview.com](mailto:info@acousticview.com)
27. Thank you for choosing ClearSight™

### **Troubleshooting**

1. Currently, the installation directory should be C:\acousticview. Any attempt to install in another directory results in an error. This will be corrected in the next version.
